Interior Design

beautiful to look at and built to last

SHAPES Interior Design

Shapes have been furnishing private homes, hotels and boardrooms, with good taste and imaginative ideas for over 30 years. You will find helpful and professional advice, together with our Personal Service which is absolutely **FREE OF CHARGE!**

Marble Floors

Marble is a very desirable natural stone product. Quarried in Italy and laid by our Italian specialists from Naples. View our marble floor display in our showroom or visit Shapes Restaurant.

Ask for advice and estimate for your project.

Marble flooring

Marble statues

Floors, Garden Statuary, Fountains

Senior Consultant Eugenio Iacono, the cream of Italian Design for your project.

Wood Panelling - Solid wood panels

Shapes has the resources to create individual wood panelled rooms to clients specific requirements. Each project is overseen by our expert from the first drawing to fitting onsite. Our unrivalled reputation for quality has brought us commissions from both private and corporate clients, worldwide.

Bedroom suite

Curtains

Our in house Curtain Making Service includes a home visit to discuss curtain styles and to take exact measurements. We also advise on fabric, lining, trimmings, curtain tracks, poles and blinds. Finally, we will hang the curtains to best effect in your home. It's all part of the service.

View our beautiful curtain displays throughout the showroom.

Swag and tail design

Silk with fringe to leading edge

Fabric & Wall Coverings

Inspirational fabric and wall coverings to enhance every room in your home! We have an extensive range of fabrics and wall coverings with over 10,000 designs from leading textile designers. Feel free to browse through our vast collection and don't be afraid to ask for our expert advice.
